

NURSING: WVC at OMAK LIBRARY

Nursing books are found in the 610s. The following represent our library holdings so check the shelves for others we own. You may determine what we have by using **Catapult**, our online catalog. It also includes the holdings of the Wenatchee campus. Access Catapult from the Library Homepage (<http://commons.wvc.edu/library/mainpage/Home.aspx>).

Ebrary includes 40,000 e-books with an in-depth collection in nursing and allied health. *NetLibrary* offers 3,000 e-books covering all subject areas.

If you are not familiar with the Omak Campus, the library is in Room 306.

REFERENCE:

- R 025.0661 MEDICAL. *Encyclopedic guide to search and finding health information on the web*. 3 volumes

- 610.7309 CARING 2008. *Caring for the vulnerable: Perspectives in nursing theory, practice, and research*

PERIODICALS: Arranged alphabetically on the east wall. They may be checked out for one week. The * indicates some full text is available on one of our subscription databases.

- *American Journal of Nursing* 2004-
- *Geriatric Nursing* 2001-2008
- **Holistic Nursing Practice* 2001-2005 (full text CINAHL Plus with Full Text)
- **Nursing* 2004- (CINAHL Plus Full Text 1981-2007, and ProQuest Research Library 1995-2004)
- *Nursing Made Incredibly Easy!* 2004-
- *Pediatric Clinics of North America* 2004-2005
- **Pediatric Nursing* 2006-2008 (full text CINAHL Plus with Full Text 1999- and ProQuest Research Library 1997-)
- **RN* 2004- (full text CINAHL Plus Full Text 1937-)

CINAHL Plus with Full Text, ProQuest Research Library, and Gale Health Resource Center provide full-text nursing and health journals. The databases are available from the Library Homepage (<http://commons.wvc.edu/library/mainpage/Home.aspx>). You will be asked for

your WVC username and password if accessing the databases from home. The fastest way to find the databases is to use the drop down menu under Popular Links and select Alphabetical list of Online Resources.

WEB PAGES:

See the listings for health sciences related WebPages from the Library Homepage at <http://commons.wvc.edu/library/mainpage/Home.aspx> under Research Guides by Subject. Also, most textbooks now list excellent sites. In the I-Drive for Thelma Achamire I have placed an article from *Choice* titled **Health Information on the Internet: Seeking the Gold Standard**. It lists excellent websites!

General:

- Free Medical Journals Site (<http://www.freemedicaljournals.com>). It offers access to full-text journals.
- National Library of Medicine's Gateway to web sites and information, including Medline (<http://gateway.nlm.nih.gov/gw/Cmd>).
- MedlinePlus Health Information from the National Library of Medicine (<http://www.nlm.nih.gov/medlineplus/>) offers another access to Medline and access authoritative health information.
- Merck Source. (<http://www.mercksource.com>) offers free access to the information in their many published health manuals. Site users can sign up and receive a free copy of the *Harvard Health E-Newsletter*.

Alternative Medicine:

- CAM on PubMed (<http://www.nlm.nih.gov/nccam/camonpubmed.html>) is the National Institutes of Health Complementary and Alternative Medicine webpage covering seven fields in alternative medicines.

Disease:

- CDC health topics A to Z (<http://www.cdc.gov/az.do>) accesses information on many (not all) diseases from the Centers for Disease Control and Prevention.
- National Center for Health Statistics (<http://www.cdc.gov/nchs/>) provides statistics back to 1994.
- PDRhealth (<http://www.pdrhealth.com>) offers information on diseases, health, drug, clinical trials, and treatment options.

Drugs:

- DailyMed (<http://dailymed.nlm.nih.gov/dailymed/about.cfm>), a new database, provides information about approved US Food and Drug Administration prescription drugs.
- Drug Information Portal (<http://druginfo.nlm.nih.gov/drugportal/drugportal.jsp>) from the National Library of Medicine offers reliable drug information for the professional, researchers, and consumers.

Transcultural:

- Transcultural and Multicultural Health Links from University of Illinois (http://www.uic.edu/depts/lib/lhsu/resources/transcultural_nursing.shtml).
- The Office of Minority Health (<http://www.omhrc.gov>) offers "...statistical data, reports on cultural competency, and profiles of minority populations" plus information on diseases.
