

## SOCIOLOGY: WVC at OMAK LIBRARY

---

Generally speaking Sociology books are found in the 300—306s in the Dewey Decimal numbering system. For instance, you will find books on social change in the 303.4s, population in 304s, racial and ethnic groups in the 305.8s, culture and institutions in the 306s, and sexual orientation in the 306.76s. Expect, however, to find pertinent information in any of the other Dewey categories as sociology covers most aspects of human endeavor.

Use **Catapult, our online catalog, to locate books in the Omak or Wenatchee campus collection.** Catapult is available from the Library Homepage at <http://www.wvc.edu/Library/home/> and can be accessed from your home computer. In Catapult you can place a hold on a book to be sent to Omak if you find one held in the Wenatchee campus collection. Use WorldCat to locate books in other libraries. Interlibrary loan is available, fast, and easy.

**Ebrary** provides access to 40,000 e-books. It, too, can be accessed from your home computer.

**NetLibrary** provides access to over 3,000 e-books with public access.
