Wenatchee Valley College English Department Policy and Procedure

Definition:

Plagiarism: The act of using and passing off as one’s own the ideas or writings of another. All information in your essays that isn’t your opinion or common knowledge must have an attribution. (Even paraphrases must include the author and page number.) All sources listed in Works Cited page must have been used in the essay, and all attributions must have a listing in the Works Cited page.

Policy/Procedure:

Anyone plagiarizing will be given an “F” in the course and referred to the Academic Regulations Committee for disciplinary action.
